¹ May represent a distribution from current period realized capital gains, which are subject to change based on the Fund's investment activity through its calendar year end. Should the Fund's net income or capital gains position change, the calendar year-to-date amounts will be updated to reflect those changes.

² This amount may represent a distribution from either unrealized capital gains that may be recognized prior to the Fund's calendar year-end or paid-in surplus, or some combination thereof. Should the Fund's net income or capital gains position change, the calendar year-to-date amounts will be updated to reflect those changes.

In 2023, the Fund will send to shareholders such tax information reporting forms (e.g., Internal Revenue Service Form 1099-DIV) as are required by law. Those tax information reporting forms will contain information about the character of distributions paid by the Fund during the 2022 calendar year, and will also be reported to the applicable tax authorities along with other information required to be reported under law.

The Fund does not provide tax advice. Shareholders should consult with their own tax advisors as to the tax consequences of the source of any distributions by the Fund, or any other aspect of holding shares in the Fund.
